Work From Home Policy

AcmeNova Technologies Pvt. Ltd. | Policy ID: HR-WFH-001

1. Purpose

This Work From Home Policy defines fictional guidelines for employees who are permitted to work remotely. The policy focuses on availability, security, productivity, and communication.

2. Eligibility

- Employees who have completed at least 30 days with the company may request regular work-from-home days.
- Approval depends on the employee's role, project requirements, performance, and manager availability.
- Roles requiring physical presence may not be eligible for routine work from home.

3. Work From Home Allowance

- Eligible employees may work from home up to 8 days per calendar month.
- A maximum of 3 consecutive work-from-home days may normally be requested.
- Additional remote days require approval from the department head.

4. Working Hours and Availability

- Standard working hours are 9:30 AM to 6:30 PM, Monday through Friday.
- Employees working remotely must remain reachable through approved communication tools during working hours.
- Employees should attend scheduled meetings with an appropriate professional setup.
- Any expected delay or unavailability should be communicated to the reporting manager.

5. Equipment and Internet

- Employees are responsible for maintaining a reliable internet connection at their remote work location.
- Company laptops and approved devices must be used for accessing confidential company systems.
- Employees must report damaged or malfunctioning company equipment to IT support.

6. Information Security

- Employees must not use public computers to access company systems.
- Confidential documents must not be printed or shared with unauthorized persons.
- Employees should use the company VPN when required by the relevant application or security policy.

- Screens containing confidential information should not be visible to visitors or other unauthorized individuals.

7. Exceptions

Urgent business requirements may require an employee to work from the office even when a work-from-home request was previously approved.
